Capture and use of images: Accredited Persons may be filmed and photographed at the occasion of the Tokyo 2020 Paralympic Games. Images of Accredited Persons taken at this occasion may be used together with related information as part of the media coverage of the Tokyo 2020 Paralympic Games, or otherwise to inform the public about the Tokyo 2020 Paralympic Games, the Paralympic Games in general and promote the Paralympic Movement.

Understanding that as participants in the Tokyo 2020 Paralympic Games, Accredited Persons will be participating in an exceptional event which has ongoing international and historical significance. In consideration of the acceptance of their participation, Accredited Persons agree to be filmed, televised, photographed, identified and/or otherwise recorded during the Tokyo 2020 Paralympic Games, and that their captured or recorded image, together with their names, likenesses, voices, performances and biographical information, may be used, including by reproducing, distributing, communicating to the public and making it available, in any content, format and through any media or technology whether now existing or created in the future, without payment, for the maximum duration permitted by applicable law, by Tokyo 2020, the IPC, the IPC Affiliates, or third parties authorised by them, such as Organising Committees for the Paralympic Games, National Paralympic Committees, International Sports Federations, the Paralympic Marketing Partners (Worldwide Paralympic Partners and Rights-Holding Broadcasters), domestic sponsors, news media organisations or social media platforms, during and after the Tokyo 2020 Paralympic Games, for the maximum duration permitted by applicable law, in relation to the preparation, operation, celebration and promotion of the Tokyo 2020 Paralympic Games, the Paralympic Movement, and/or the IPC's activities, for commercial and non-commercial purposes, but excluding any use that decidedly or conspicuously creates a direct commercial association between the Accredited Person's image and any product or service, without his/her consent.

Accredited Persons may take or record still and moving images and/or sounds within the perimeter of the Tokyo 2020 Paralympic Games' areas and venues where the Tokyo 2020 Paralympic Games and related events occur, as designated by Tokyo 2020 ("Games Areas"), and Accredited Persons agree that the IPC shall be sole owner of any intellectual property rights (including copyright, in particular, rights set forth in Article 27 and 28 of Japanese Copyright Act 1970) in such content without further authorisation from, or payment or compensation to, the Accredited Persons or anyone acting on their behalf, and Accredited Persons hereby assign any rights they may have in respect of such content to the IPC. To the extent permitted by applicable laws, Accredited Persons hereby agree not to exercise any moral rights they may have in respect of such content against Tokyo 2020, the IPC and any third parties authorised by them.

Pursuant to the above, Accredited Persons acknowledge that the IPC hereby grants them with a limited and revocable license to use the still and moving images and/or sounds that Accredited Persons take or record within the Games Areas, provided that such use is personal, non-commercial and non-promotional and that otherwise complies with any additional IPC requirements (including the IPC Digital Media Guidelines).
